In the Matter of the REPRESENTATION OF EMPLOYEES of DALFORT AEROSPACE L.P. Mechanics and Related Employees	30 NMB No. 52 CASE NO. R-6935 DISMISSAL- INSUFFICIENT SHOWING OF INTEREST May 29, 2003
---	--

The services of the National Mediation Board (Board) were invoked by Kenneth Farmer, an Individual on March 26, 2003, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as “Mechanics and Related Employees,” employees of Dalfort Aerospace L.P.

At the time this application was received, these employees were represented by the International Brotherhood of Teamsters (IBT).

The Board assigned Investigator Jennifer Rosenthal to investigate.

FINDINGS

The Investigator’s investigation established that Kenneth Farmer had failed to support his application with the required number of authorizations from the employees in the craft or class as set forth in Part 1206.2(b) of the Board’s Rules.

Therefore, the Board finds no basis upon which to proceed in this matter and Kenneth Farmer's application is dismissed subject to the one-year bar in 29 C.F.R. § 1206.4(b)(2).

By direction of the NATIONAL MEDIATION BOARD.
